Independent Auditor's Report

To the Board of Directors of
Ovarian Cancer Canada

We have audited the accompanying financial statements of Ovarian Cancer Canada which comprise the statement of financial position as at March 31, 2015, the statements of operations, changes in fund balances and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

In common with many not-for-profit organizations, Ovarian Cancer Canada derives the majority of its revenues from the general public in the form of donations and events revenue, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of Ovarian Cancer Canada, and we were not able to determine whether any adjustments might be necessary to donations and events revenue, excess of revenues over expenses, and cash flow from operations for the years ended March 31, 2015 and March 31, 2014, current assets as at March 31, 2015 and March 31, 2014 and fund balances as at April 1 and March 31 for both the 2015 and 2014 years. Our audit opinion for the year ended March 31, 2014 was modified accordingly because of the possible effects of this limitation in scope.

Qualified Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of Ovarian Cancer Canada as at March 31, 2015 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Ovarian Cancer Canada

Notes to the financial statements

March 31, 2015

1. Purpose of organization

Ovarian Cancer Canada (“OCC”), formerly National Ovarian Cancer Association (the “Association”), was founded in 1997 and is dedicated to overcoming ovarian cancer and providing leadership by:

- supporting women and their families living with the disease;
- raising awareness by providing educational programs and materials to women living with ovarian cancer, the general public, and health care professionals; and
- funding research to develop reliable early detection techniques, improved treatments and, ultimately a cure.

The Association was incorporated on January 7, 1998 under the Canada Corporations Act as a Not-for-Profit Organization under the name of the Corinne Boyer Fund to continue this mission. The Association was granted registered charity status under the Income Tax Act (Canada) on March 26, 1999, effective August 1, 1998.

Effective February 28, 2007, the Association and the former Ovarian Cancer Canada (“the former OCC”) joined together to form one organization and the assets, liabilities and obligations of the former OCC were transferred to, and assumed by, the Association.

The former OCC was dissolved on October 29, 2007 and the Association subsequently changed its name to Ovarian Cancer Canada.

OCC was continued under the Canada Not-for-Profit Corporations Act on May 12, 2014.

2. Summary of significant accounting policies

Basis of presentation

The financial statements of OCC are the representations of management prepared in accordance with Canadian accounting standards for not-for-profit organizations set out in Part III of the Chartered Professional Accountants (CPA) Handbook. The significant accounting policies adopted by OCC are as follows:

Revenue recognition

OCC follows the deferral method of accounting for restricted contributions. Restricted grants and donations are recognized as revenue in the year in which the related expenses are incurred. Unrestricted grants and donations are recognized as revenue when received, or receivable, if the amount to be received can be reasonably estimated and collection is reasonably assured.

Endowment contributions

Endowment contributions are recognized as direct increases in the fund balance.

Contributed services

The operations of OCC are dependent on the services of many volunteers. The value of contributed services is not recognized in these financial statements.

Capital assets

Capital assets are stated at cost, less accumulated amortization. Amortization of computer and office equipment is provided on the straight-line basis over four years.

Ovarian Cancer Canada

Notes to the financial statements

March 31, 2015

2. Summary of significant accounting policies (continued)

Financial instruments

OCC has elected to value its financial instruments as follows:

| Asset/liability | Category |
|--|----------------|
| Cash | Fair value |
| Investments | Fair value |
| Accounts receivable | Amortized cost |
| Accounts payable and accrued liabilities | Amortized cost |

Use of estimates

The preparation of financial statements in accordance with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the statement of financial position and the reported amounts of revenue and expenses for the year then ended. Actual results may differ from such estimates. The balances which require estimates are accrued liabilities, deferred revenue, and amortization, which is based on the estimated useful lives of capital assets.

3. Investments

Investments consist of high interest savings accounts where cost approximates fair value.

4. Capital assets

| | 2015 | | 2014 |
|--------------------|--------|--------------------------|----------------|
| | Cost | Accumulated amortization | Net book value |
| | \$ | \$ | \$ |
| Computer equipment | 5,777 | 5,093 | 684 |
| Office equipment | 19,581 | 17,029 | 2,552 |
| | 25,358 | 22,122 | 3,236 |

5. Other long-term asset

OCC has received a donation of a life insurance policy in which OCC is the owner and at the same time, the beneficiary. The policy requires that OCC pay the annual premiums of the policy and OCC intends to continue to cover the premium costs. No revenue has been recorded in the Statement of operations in respect of this donation at this time. The premiums paid on the policy are recorded as a long-term asset in the Statement of financial position. In the event OCC ceases to make premium payments on the policy, the investment less any cash surrender value received will be expensed. At the time the benefits of the policy are received by OCC, donation revenue will be recognized as the difference between the cumulative premiums paid and the payment received on the policy.

Ovarian Cancer Canada

Notes to the financial statements

March 31, 2015

6. Deferred grants and donations

Deferred grants and donations consist of unspent revenue. Changes in the balances of deferred grants and donations and other deferred amounts are as follows:

| | 2015 | 2014 |
|--|----------------|----------------|
| | \$ | \$ |
| Balance, beginning of year | 151,987 | 106,246 |
| Add: amount received during the year | 569,265 | 287,945 |
| Less: amount recognized as revenue during the year | 560,560 | 242,204 |
| Balance, end of year | 160,692 | 151,987 |

The balance is comprised of the following:

| | 2015 | 2014 |
|--|----------------|----------------|
| | \$ | \$ |
| Externally restricted grants and donations | 88,826 | 104,756 |
| Other deferred amounts | 71,866 | 47,231 |
| Total | 160,692 | 151,987 |

7. Investment income

Investment income earned is reported as follows:

| | 2015 | 2014 |
|--|---------------|---------------|
| | \$ | \$ |
| Income earned on unrestricted resources | 20,132 | 23,074 |

8. Commitments

Leases

Future minimum annual lease commitments on office premises and equipment leases, which expire in 2018, are as follows:

| | \$ |
|--------------|----------------|
| 2016 | 258,981 |
| 2017 | 130,232 |
| 2018 | 46,052 |
| Total | 435,265 |

Research commitment

OCC has committed to pay \$120,000 to a research organization in the year ending March 31, 2016. These funds are to support OCC's portion of the financial commitment for two grants for research in OCC's core areas of focus over a two year period. The OCC contribution will be matched by the research organization.

Ovarian Cancer Canada

Notes to the financial statements

March 31, 2015

9. Additional information to comply with the disclosure requirements of the Charitable Fundraising Act of Alberta

Remuneration paid to employees for activities involving fundraising, together with associated employee benefits and statutory payroll costs, amounted to \$591,043 (2014 - \$603,949).

10. Guarantees

In the normal course of business, OCC enters into agreements that meet the definition of a guarantee.

Indemnity has been provided to all directors and officers of OCC, subject to certain restrictions. OCC has purchased directors' and officers' liability insurance to mitigate the cost of any potential future legal actions. Further, in the normal course of business, OCC has entered into agreements that include indemnities in favour of third parties, such as engagement letters with advisors and consultants, leasing contracts and rental agreements. Historically, OCC has not incurred any costs as a result of such suits, actions or agreements. The maximum amount of any potential future payment cannot be reasonably estimated and hence no amount has been recorded in the financial statements.

11. Allocation of expenses

Staff costs

OCC allocates staff costs based on management's estimate of the amount of time required to fulfill the duties of each position. Total salary and benefits subject to allocation amount to \$2,302,812 (2014 - \$2,118,616) and are allocated on the Statement of operations as follows:

| | 2015 | 2014 |
|-------------------------|------------|------------|
| | % | % |
| Administrative | 16 | 17 |
| Awareness and education | 34 | 35 |
| Fundraising | 26 | 29 |
| Research | 3 | 3 |
| Support | 21 | 16 |
| | 100 | 100 |

Administrative expenses

The major components of administrative expenses subject to allocation are:

| | 2015 | 2014 |
|--|----------------|----------------|
| | \$ | \$ |
| Common expenses | | |
| Occupancy | 266,206 | 262,683 |
| General and office | 105,202 | 120,943 |
| Accounting staff cost | 166,810 | 155,541 |
| Professional and consulting | 69,607 | 64,518 |
| Total common expenses before reallocation | 607,825 | 603,685 |

Ovarian Cancer Canada

Notes to the financial statements

March 31, 2015

11. Allocation of expenses (continued)

Common administrative expenses

Common expenses are allocated based on management's estimate of the proportion of benefit received by each of the functions. Common expenses are allocated as follows:

| | 2015 | | 2014 | |
|-------------------------|----------------|------------|----------------|------------|
| | \$ | % | \$ | % |
| Administrative | 60,783 | 10 | 60,368 | 10 |
| Awareness and education | 182,347 | 30 | 181,105 | 30 |
| Fundraising | 91,174 | 15 | 90,553 | 15 |
| Research | 91,174 | 15 | 90,553 | 15 |
| Support | 182,347 | 30 | 181,106 | 30 |
| | 607,825 | 100 | 603,685 | 100 |

12. Accounts payable and accrued liabilities

Accounts payable and accrued liabilities include \$17,957 (2014 - \$13,827) of income taxes, CPP and EI owing to the government.
