

Dear participants,

We are looking forward to welcoming you at the 11th Canadian Conference on Ovarian Cancer Research in Halifax on May 24-26! The details below may help make your arrival easier.

Before you arrive

You can browse the detailed program here:

<https://2024.ccocr.org/webapp/programme/1>

Presenter details and abstracts can be viewed by clicking on the yellow buttons on the right side of the screen.

The Conference social event theme is “The Roaring 20’s”. If you’ve registered, we encourage you to pack your best Gatsby-style attire. A few tickets remain available for purchase. Come and see us at the registration desk.

Arriving from the airport

Venue - Lord Nelson Hotel

Address: 1515 South Park Street

Registration will be in the Georgian Lounge, on your right when entering the lobby.

Self-Parking is available for \$28 per day.

Transportation from the Airport to the Hotel

The hotel does not offer a shuttle service. More information on transportation options is available here:

Public transit (plan 1 hour 15 min):

<https://halifaxstanfield.ca/parking-transport/buses-and-shuttles/>

Taxi / Uber (30-40 min) - approx. \$60 + tip

At the Meeting

Registration desk hours

The registration desk is located in the Georgian Lounge (on your right when entering the hotel) and will open at 12:00 pm on Friday, May 24.

Trainee day

Participants in the Trainee Day will receive their registration materials at the Trainee Day location: Kenneth Rowe Building, Room 1020, 6100 University Avenue (~12 minute walk from hotel). Program start time: 9am.

Poster presentations

Poster Presenters who are scheduled in Poster Session 1 can install their posters starting at noon on May 24 for viewing during the coffee break. Poster Guidelines were sent by email previously and are also available here:

<https://ovariancanada.org/events/ccocr#guidelines>.

Social media hashtags

Follow us on X (@ccocr_2024, #CCOCR2024) and [Instagram](#) (@ccocr_2024) for the latest updates and to share your experiences.

Special Feature: Spotlight on OCC's Patient Partners in Research (PPiR)

This year, members of OCC's PPiR team will be attending the Trainee Day and several sessions at the main conference on May 24 and May 26. They will also be featured as panelists at both events on those days. Scientific delegates presenting their work are NOT expected to adjust the quality and depth of the science being presented; however, please be mindful of the attendance of women living with ovarian cancer when presenting disease statistics.

We look forward to seeing you in a few days and wish you safe travels!

Jeanette Boudreau Ph.D. Co-Chair Dalhousie University	Katharina Kieser , MD Co-Chair Dalhousie University	Tania Vrionis Honorary Co-Chair Ovarian Cancer Canada

SPECIAL MESSAGES FROM OUR GOLD SPONSORS:

	GSK looks forward to welcoming you at Table 2 at CCOCR 2024! We are excited to share our commitment to maximizing patient survival through transformational medicines with a current effort on breakthroughs in oncology, including gynaecologic cancers, some of the most common cancers affecting women.
---	--

At Ovarian Cancer Canada, we reject the notion that ovarian cancer can't be eradicated. We are here to demand action, deliver change, and transform lives. We stand hand-in-hand with the people experiencing, affected by, or at risk of the disease. We will not rest until women are able to live their lives freely, fully, and uninhibited by ovarian cancer.
